STANDARD
REQUIREMENTS FOR PEDIGREE HORSE PERFORMANCE-TRIAL JUDGES PARTICIPATING IN PERFORMANCE TRIALS (RACES) OF PEDIGREE HORSES
HORSE BREEDING DEVELOPMENT ASSOCIATION

Moscow
2024

1. General provisions

1.1. This Standard of the Horse Breeding Development Association, 'Requirements for Pedigree Horse Performance-Trial Judges Participating in Performance Trials (Races) of Pedigree Horses' (hereinafter the Standard), establishes the general (minimum) requirements for pedigree horse performance-trial judges participating in performance trials (races) of pedigree horses (hereinafter a judge), to be applied by organisations that are members of the Horse Breeding Development Association (hereinafter the Association).
1.2. Members of the Association who violate this Standard's requirements shall be subject to disciplinary measures established by the Association's internal documents.

2. Normative references

2.1. The Standard has been developed in accordance with the requirements established by the Civil Code of the Russian Federation; Federal Law No. 315-FZ of 1 December 2007 'On Self-Regulatory Organisations'; Federal Law No. 7-FZ of 12 January 1996 'On Non-Profit Organisations'; Federal Law No. 123-FZ of 3 August 1995 'On Pedigree Livestock Breeding'; Order No. 336 of the Ministry of Agriculture of Russia of 2 June 2022 'On Approval of Requirements for Types of Pedigree Breeding Establishments' (registered with the Ministry of Justice of Russia on 30 August 2022, registration No. 69850); other regulatory legal acts; the Association's standards and rules; and its Charter.
2.2. This Standard has been developed taking account of the International Agreement on Breeding, Racing and Wagering.

3. Terms and definitions

3.1. Judge: a person who ensures compliance with rules established under the legislation of the Russian Federation at performance trials (races) of pedigree horses, including standards and rules of business or professional activity approved by the Horse Breeding Development Association under Federal Law No. 315-FZ of 1 December 2007 'On Self-Regulatory Organisations', has specialised professional education and meets the Association's requirements for participation in performance trials (races).

3.2. Performance trials (races): testing and evaluation of horses' performance capacity organised under the Association's approved consolidated racing calendar, in accordance with established regulations and rules in the field of pedigree livestock breeding, under contracts (applications) with legal entities and individuals engaged in

breeding pedigree horses and being their owners (proprietors).

3.3. Racecourse: an organisation in the field of pedigree livestock breeding that conducts performance trials (races) of pedigree horses to identify the best representatives of the breed by performance capacity, understood as a combination of genotypic and phenotypic traits, and records pedigree horses' genotypic and phenotypic traits for use in selective breeding; it meets the racecourse requirements under Order No. 336 of the Ministry of Agriculture of Russia of 2 June 2022 'On Approval of Requirements for Types of Pedigree Breeding Establishments' (registered with the Ministry of Justice of Russia on 30 August 2022, registration No. 69850).

4. Requirements for judges

4.1. For the purpose of conducting performance trials (races) of pedigree horses, judges shall meet the following general (minimum) requirements:
4.1.1. Specialised professional education in the occupation 'Pedigree Horse Performance-Trial Judge'.
4.1.2. The judge shall have at least 3 years' professional experience.
4.1.3. The judge shall have conducted at least 30 performance trials (races), participating as a person ensuring compliance with rules and standards established under the legislation of the Russian Federation at performance trials (races) of pedigree horses.
4.1.4. The judge shall not be suspended from judging performance trials (races) for any reason, or more than 3 months shall have elapsed since the suspension period expired.
4.1.5. The judge shall have no medical restrictions or contraindications for participation in performance trials (races) (the list of minimum contraindications appears in Appendix No. 1 to this Standard).
4.1.6. The judge shall not be a suspect or an accused person in a criminal case, and shall not be subject to criminal prosecution.
4.1.7. The judge shall have completed a written declaration of the absence of medical restrictions or contraindications, including the judge's detailed medical history, confirmed by the attending physician's signature (the declaration form appears in Appendix No. 2 to this Standard).

5. Confirmation of the judge's compliance with this Standard

5.1. Judges who meet this Standard's requirements shall be issued a qualification assessment certificate in the Russian or international format.

5.2. The qualification assessment certificate referred to in clause 5.1 of this Standard shall be issued by a qualification commission consisting of at least 5 persons who are employees of the Association.
5.3. The Association shall establish the operating procedure of the qualification commission referred to in clause 5.2 of this Standard.

5.4. To obtain the qualification assessment certificate referred to in clause 5.1 of this Standard, the judge shall apply to the qualification commission referred to in clause 5.2 of this Standard, providing the following information:
5.4.1. Surname, first name and patronymic (if any);
5.4.2. Date of birth;
5.4.3. Passport particulars;
5.4.4. Taxpayer identification number (INN);
5.4.5. The applicant's insurance number of the individual personal account (SNILS);
5.4.6. Email address (if any);
5.4.7. Information on the absence of an unexpunged or unspent conviction for an intentional offence and on the absence of criminal prosecution against the applicant;
5.4.8. Information on the absence of suspension of the applicant from performance trials (races) for any reason, including the use of prohibited substances or, if such a suspension exists, the date of the decision and the duration of the suspension;
5.4.9. Residential address;
5.4.10. Contact telephone number;
5.4.11. An indication of whether the Russian or international format of the qualification assessment certificate is required;
5.4.12. Other information confirming the applicant's compliance with this Standard.

5.5. The following documents shall accompany the application referred to in clause 5.4 of this Standard:
5.5.1. A copy of a higher education diploma in a field of study corresponding to this Standard's requirements;
5.5.2. A copy of the passport or other identity document, and a copy of a document confirming permanent residence in the Russian Federation if the identity document contains no information confirming such residence (the original shall be presented at the qualification commission's meeting);
5.5.3. A certified copy of the employment record book or other documents confirming the required experience in the stated area of activity (job regulations, instructions, or a certificate containing an exhaustive list of duties);
5.5.4. Documents confirming the conduct of performance trials (races) in which the applicant participated as a person ensuring compliance with rules and standards established under the legislation of the Russian Federation at performance trials (races) of pedigree horses;

5.5.5. A written declaration of the absence of medical restrictions or contraindications, including the applicant's detailed medical history, confirmed by the attending physician's signature (the declaration form appears in Appendix No. 2 to this Standard);
5.5.6. A copy of an insurance policy covering the applicant against the risk of death or accident;
5.5.7. A receipt for payment for qualification assessment services in the amount specified in the Association's service price list;
5.5.8. Other documents confirming the applicant's compliance with this Standard.

5.6. The qualification assessment certificate referred to in clause 5.1 of this Standard shall remain valid for 1 (one) year from its issue.
5.7. If a judge fails to meet this Standard's requirements, the qualification commission referred to in clause 5.2 of this Standard shall refuse to issue the judge a qualification assessment certificate.
5.8. If, during the validity period of the qualification assessment certificate referred to in clause 5.1 of this Standard issued to the judge, the judge ceases to meet this Standard's requirements, the qualification commission referred to in clause 5.2 of this Standard shall cancel that certificate.
In individual cases, the qualification commission referred to in clause 5.2 of this Standard may suspend the qualification assessment certificate referred to in clause 5.1 without cancelling it, until the judge remedies the identified non-compliance with this Standard.

6. Final provisions

6.1. This Standard shall enter into force upon its approval.
6.2. Any amendments or additions to this Standard may be adopted by the General Meeting of Members of the Association.
