## STATE DUMA OF THE FEDERAL ASSEMBLY OF THE RUSSIAN FEDERATION, SEVENTH CONVOCATION

## MEMBER OF THE STATE DUMA

21 March 2019. No. OAH-4/67.

To O. V. ZHAVORONKOVA, Director of the Horse Breeding Development Association. Address: 123315, Moscow, L. Chaikina Street, building 1, block 2.

Dear Oksana Vladislavovna,

As part of implementing the Recommendations of the round table held on 23 November 2018, the State Duma Committee on the Financial Market and the Committee on Budget and Taxes have held consultations with executive authorities of the Russian Federation, in particular the Ministry of Finance and the Ministry of Agriculture. In the course of those consultations, it emerged that a working group had been established under the Ministry of Agriculture of the Russian Federation to develop the Strategy for Horse Breeding Development in the Russian Federation, and that a Road Map for implementing measures aimed at developing horse breeding in the Russian Federation had been approved.

The Ministry of Finance of the Russian Federation is working on a draft law to amend the existing legislation on the matters identified in the round-table recommendations. At present, the relevant committee of the Federation Council is also working to establish a working group on the development of the horse breeding industry in the Russian Federation.

Considering that the decision to establish a working group in the State Duma is taken by the Council of the State Duma, it is proposed to await the results of the work in the areas indicated above in the form of draft regulatory legal acts and then, if necessary, to apply again to the Council of the State Duma for the establishment of a working group.

Yours sincerely, O. A. Nikolaev.
