On the progress of preparing the draft Strategy

(Zaitsev, Kulakovsky, Zaitsev, Demin, Safina, Amerkhanov, Khatuov)

1. Take note of the information provided by A. M. Zaitsev, Director of the Federal State Budgetary Scientific Institution ‘All-Russian Research Institute of Horse Breeding’, on the progress of preparing the draft Strategy.

2. Draw attention to the need to revise the draft Strategy by preparing justifications for the target indicators and the amounts of state-support funding.

3. Members of the working group shall submit the following to the Department of Livestock Production and Animal Breeding:

a justification for the proposed list of target indicators and their projected progression up to 2025;

a list of selection and breeding measures carried out by organizations registered in the State Breeding Register, and the funds necessary to implement them;

proposals for establishing a state-support mechanism to reimburse part of the costs associated with selection and breeding measures in respect of breeding stallions and with the purchase of breeding horses.

Deadline: by 26 April 2019.

4. Recommend that JSC ‘Russian Hippodromes’ (D. S. Zaitsev) submit to the Department of Livestock Production and Animal Breeding a justification for the measure to modernize and maintain racecourse infrastructure for the period up to 2025.

Deadline: by 29 April 2019.

5. The Department of Livestock Production and Animal Breeding (Kh. A. Amerkhanov) shall consolidate, with the members of the working group, the proposals received under paragraphs 3 and 4 of these minutes and send the revised draft Strategy for clearance to the Ministry’s relevant departments, and also to the Ministry of Science and Higher Education of Russia for confirmation of the funding amounts intended for scientific work (state assignments) of the Federal State Budgetary Scientific Institution ‘All-Russian Research Institute of Horse Breeding’.

On the establishment of a self-regulatory organization

(Kostyuk, Zhavoronkova, Amerkhanov, Khatuov)

1. Take note of the information provided by N. A. Kostyuk, representative of the National Association for the Development of Racing and Thoroughbred Horse Breeding, on the progress of preparing documents for the establishment of a self-regulatory organization in the field of horse breeding.

2. Recommend that the National Association for the Development of Racing and Thoroughbred Horse Breeding:

take all necessary measures to complete the preparation of the documents required to register the self-regulatory organization;

ensure implementation of paragraph 4 of the Road Map for implementing measures aimed at developing horse breeding in the Russian Federation, as regards the self-regulatory organization's admission to the International Federation of Horseracing Authorities (IFHA), the federation referred to in the original in connection with Thoroughbred racing.
